KeyTrak's new EZ Plan makes acquiring a KeyTrak solution more affordable than ever!

Secure key control requirements do not subside during tough economic times. However, KeyTrak is now more affordable than ever. The KeyTrak EZ Plan allows a customer to acquire a KeyTrak system without tying up lines of credit. EZ Plan also enables customers to install a KeyTrak system without disrupting their budget cycle. The comprehensive support included with EZ Plan protects a customer's investment and keeps the KeyTrak system running at an optimal level.

KeyTrak Vice President of Sales Richard Battle said, "KeyTrak has a 22 year history of being the market's chosen leader in electronic key and asset management systems. EZ Plan provides the customer with a new cost-effective means to quickly implement and maintain a Keytrak system. The KeyTrak system provides residual benefits of reducing lost asset and key expenses, improving operational efficiency and significantly decreasing liability of loss of life and property."

The EZ Plan financing option offers the following benefits to a customer:

- Hardware, software and support are included
- Affordable monthly payments
- Single agreement
- Guaranteed pricing
- Ease of adding additional items to system, such as drawers
- Flexible end of term options

For more information on purchasing a KeyTrak under the EZ Plan, call 866.563.8483 or email sales@keytrak.com.

About KeyTrak:

KeyTrak is the world's leading provider of key and asset tracking systems. KeyTrak helps businesses enhance the security of their operations while improving productivity and reducing costs. KeyTrak systems provide a safe, organized way to house keys for car dealerships, apartment communities, hospitals, military bases, government facilities, hotels, schools and commercial properties.
